

Charles University, Faculty of Science,
Department of Analytical Chemistry
Department of Physical and Macromolecular Chemistry
Division of Analytical Chemistry and
Division of Chromatography and Electrophoresis
of Czech Chemical Society
invite you for the distinguished lecture

Dr. Norberto A. Guzman, Ph.D., M.Sc.
Chief Scientific Officer,
Princeton Biochemicals, Inc.
Affinity Capture and Separation

held under auspices of
Prof. RNDr. Jiří Zima, CSc.
Rector of Charles University

Lecture hall CH2

Building of chemical departments on Albertov, Hlavova 8, Prague 2

On Tuesday, May 5, 2026 at 14,00

Prof. RNDr. Jiří Barek, CSc.

President of Division of Analytical Chemistry of Czech Chemical Society

RNDr. Václav Kašička, CSc.

President of the Division of Chromatography and Electrophoresis of Czech Chemical Society

Doc. RNDr. K. Nesměrál, Ph.D.

Head of Department of Analytical Chemistry
of Faculty of Science, Charles University
